GREATEST OF ALL TIME

“YOU PREPARE A TABLE BEFORE ME”

DISCUSSION QUESTIONS

1

What sorts of battles have you been engaged in over these last few weeks? Have you found yourself a little less patient with yourself or others? Or maybe this season has caused you to slip back into some unhealthy habits. What negative emotions, thoughts, and behaviors have you allowed to have a seat at your table?

2

What do you feel God has called you, or blessed you to do? Could he be reminding you of something you gave up on that he wants you to take hold of again? Could he be calling you to something new? Share it and have the faith to believe God will bring it to pass as you trust and follow him.

3

Recall a time when you felt that God filled you with more than what you need. What was that like? What were you filled with...material resources, a sense of peace or well-being? How can you share God's goodness with others? What ways can you continue to do that in this season?
