## “JEREMIAH: A VISION OF HOPE”

### DISCUSSION QUESTIONS

1

What would it mean for you to “let go of wishes” and instead “live in hope”? Would that be hard or easy for you? Why?

2

What does it mean to you to have hope as an anchor? What would an “anchor of hope” look like in your life?

3

If your hope isn't just for you, how could you share it with others? Who are some people in your life that would benefit from you sharing hope with them?
